

ESM 499 Research in Materials Science (Elective)

Course Catalog description:

An independent research project with faculty supervision. Permission to register requires a B average in all engineering courses and the agreement of a faculty member to supervise the research. May be repeated, but only three credits of research electives (AMS 487, CSE 487, ESE 499, ESM 499, ESC 499, EST 499, ISE 487) may be counted toward technical elective requirements.

0 – 4 credits

Pre- or Corequisite(s): B average in all engineering courses and the agreement of a faculty member to supervise the research.

Text(s) or other required material: None

Course learning outcomes:

Topics Covered:

Independent Research

Class/ Laboratory Schedule:

Varies

Contribution of Course to **meet requirement of Criterion 5:**

Relationship of course to program outcomes:

Person(s) who prepared this description and date of preparation:
