WELCOME TO THE CHAPTER!

Raymond Browning, Shoreham       Konrad Kozdra, Sartorius
Jason Sanabia, Raith America      Michael Tobin, Oerlikon Metco

All new members, including those who have transferred in from another Chapter, are invited to dine free at a regular meeting of their choice. Please take us up on this offer - come along to the meeting and introduce yourself. This is an excellent way to meet with other Chapter members and to establish new business and social relationships in the area.
The LIASM Executive Committee appreciates the support received from all our advertisers. Let's make every effort to direct our business to them, if at all possible.

The Topic

Welding is to metallurgy what surgery is to medicine. The range of materials that can be welded is large and advancement in welding engineering has enabled us to enlarge it even more. From machine shop Arc 101 to billion dollar projects on spaceship electron beam welding the techniques and goals can be very different. Safety and regulatory aspects will be discussed, being crucial in nowadays industrial requirements. However, the emphasis will be put on the basics of multiple welding techniques through comparative analysis and brief study cases.

Our Speaker

Originally from France, Clement Marmorat obtained a Master's Degree at Ecole Polytechnique de Nantes with a specialization in Welding Engineering and Assembly design. He worked in inspection and consulting out of Pennsylvania on projects ranging from metallurgical analysis, civil engineering to polymer blends optimization for major North American companies. He is currently pursuing a PhD degree at Stony Brook University in Materials Science and Engineering.

Directions to Pollo Rico Latin Bistro

Pollo Rico is located at 2435 Middle Country Road (Rte. 25), Centereach. Probably the simplest way to get there from the LIE is to take Exit 62 (Nicolls Road) and go north on CR 97 (towards Stony Brook). Continue north for about 3 miles then take the exit to Rte. 25. At the traffic signals at the end of the ramp go left and head west (Smithtown). The restaurant will appear after about 1.5 miles, on the right side of the highway. Their telephone number is 631-471-0585. Their website is: http://www.polloricolatinbistro.com/
